Meeting Room A, [Leon County Public Library](#), 200 West Park Avenue, Tallahassee, FL 32301.

Good Afternoon,

Welcome to the Annual General Body Meeting of the India Association of Tallahassee. My name is Thayumanasamy Somasundaram and the incoming President of the IATLH. First of all I want to thank all the members of the Association for entrusting us to run the Association's routine activities. On behalf of the Executive Committee I assure you that we will work toward bringing good selection of programs, more choices of events, and try to expand the membership base. We also want you to be a partner by giving us ideas and volunteer your time. We can't do everything without scores of volunteers. So give us your ideas, comments and suggestions and little bit of your time.

I take this opportunity to say my sincere thanks to the out-going committee and the committee before that for their help and advice. As you note I am one of the left-over members from the last two committees which I believe is beneficial since I have been working with EC for almost four years learning how to organize and stage programs. At the same time rest of the team is very fresh and they bring tremendous enthusiasm and new ideas. In all, I believe, the team for the calendar years 2010-2011 will be try to do our best for you the members and the Association.
